

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings, of claims in the application.

The following is a copy of Applicant's claims that identifies language being added with underlining ("____") and language being deleted with strikethrough ("~~_____~~"), as is applicable:

1. (currently amended) In a first computer, a method of providing a print status, comprising:

(a) receiving content from ~~an external device~~ a printer, the content executable by a computer to cause a computer to display a print status page based upon dynamic input received from ~~a printer~~ the printer printing a print job received from the computer; and

(b) executing the content so as to generate the print status page.

2. (canceled)

3. (canceled)
